2nd Chance Bikes Receives a Grant from Community Foundation of the Lake

2nd Chance Bikes is a Kiwanis and Christmas for Kids program that refurbishes and collects bicycles to give to lake area children.

2nd Chance Bikes is delighted to be selected to receive a grant from the **Community Foundation of The Lake** that was used to purchase two bicycle work stations that clamp a bike at the correct height to easily work on and hold the bike steady. In addition, two sets of special bike tools were acquired. These work stations and tools allow Kiwanis volunteers, Scouts and Key Club members to more efficiently repair bikes that are given to kids through Christmas for Kids. **THANK YOU**

Kiwanis Club of Ozark Coast was organized in 1988. We have proudly served Lake Community children for 26 years.

We are a 501(c)(3) not-for-profit charitable foundation. Our club members are service-minded men and women from all segments of the community. We meet every Thursday, at **Ozark Yacht Club**, 12 noon to 1:00 pm for lunch, fellowship, discussion of club business, and a program presented by community business people on topics of interest such as community issues, public affairs, service, or entertainment. (Members do not have to attend every week...just when you can and be willing to help volunteer).

We'd love for you to join us for good times as we work together to better the lives of the children in our community. Please join us at our next meeting or contact our Club President for more information.
